1972	R	D	D	Family planning services, including the education, comprehensive medical and social services necessary to permit individuals freely to determine and achieve the number and spacing of their children		
1973	R	D	D			Roe v. Wade
1976	R	D	D	We fully recognize the religious and ethical nature of the concerns which many Americans have on the subject of abortion. We feel, however, that it is undesirable to attempt to amend the U.S. Constitution to overturn the Supreme Court decision in this area.	The question of abortion is one of the most difficult and controversial of our time. It is undoubtedly a moral and personal issue but it also involves complex questions relating to medical science and criminal justice. There are those in our Party who favor complete support for the Supreme Court decision which permits abortion on demand. There are others who share sincere convictions that the Supreme Court's decision must be changed by a constitutional amendment prohibiting all abortions. Others have yet to take a position, or they have assumed a stance somewhere in between polar positions. . . The Republican Party favors a continuance of the public dialogue on abortion and supports the efforts of those who seek enactment of a constitutional amendment to restore protection of the right to life for unborn children.	
1980	D	D	D	The Democratic Party supports the 1973 Supreme Court decision on abortion rights as the law of the land and opposes any constitutional amendment to restrict or overturn that decision.	we affirm our support of a constitutional amendment to restore protection of the right to life for unborn children. We also support the Congressional efforts to restrict the use of taxpayers' dollars for abortion.	

Abortion

1984 R	D	R		The unborn child has a fundamental individual right to life which cannot be infringed. We therefore reaffirm our support for a human life amendment to the Constitution, and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children. We oppose the use of public revenues for abortion and will eliminate funding for organizations which advocate or support abortion.	
1988 R	D	D	that the fundamental right of reproductive choice should be guaranteed regardless of ability to pay	That the unborn child has a fundamental individual right to life which cannot be infringed. We therefore reaffirm our support for a human life amendment to the Constitution, and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children.	
1992 R	D	D	Democrats stand behind the right of every woman to choose, consistent with <i>Roe v. Wade</i> , regardless of ability to pay, and support a national law to protect that right.	We believe the unborn child has a fundamental individual right to life which cannot be infringed. We therefore reaffirm our support for a human life amendment to the Constitution, and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children.	
1996 D	R	R	The Democratic Party stands behind the right of every woman to choose, consistent with <i>Roe v. Wade</i> , and regardless of ability to pay.	The unborn child has a fundamental individual right to life which cannot be infringed. We support a human life amendment to the Constitution and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children.	
2000 R	R	R	The Democratic Party stands behind the right of every woman to choose, consistent with <i>Roe v. Wade</i> , and regardless of ability to pay. We believe it is a fundamental constitutional liberty that individual Americans - not government - can best take responsibility for making the most difficult and intensely personal decisions regarding reproduction. . . The Democratic Party is a party of inclusion. We respect the individual conscience of each American on this difficult issue, and we welcome all our members to participate at every level of our party.	That is why we say the unborn child has a fundamental individual right to life which cannot be infringed. We support a human life amendment to the Constitution and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children.	
2004 R	R	R	Because we believe in the privacy and equality of women, we stand proudly for a woman's right to choose, consistent with <i>Roe v. Wade</i> , and regardless of her ability to pay. We stand firmly against Republican efforts to undermine that right. At the same time, we strongly support family planning and adoption incentives. Abortion should be safe, legal, and rare.	That is why we say the unborn child has a fundamental individual right to life which cannot be infringed. We support a human life amendment to the Constitution and we endorse legislation to make it clear that the Fourteenth Amendment's protections apply to unborn children. Our purpose is to have legislative and judicial protection of that right against those who perform abortions.	
2008 R	D	D	The Democratic Party strongly and unequivocally supports <i>Roe v. Wade</i> and a woman's right to choose a safe and legal abortion, regardless of ability to pay, and we oppose any and all efforts to weaken or undermine that right.	Faithful to the first guarantee of the Declaration of Independence, we assert the inherent dignity and sanctity of all human life and affirm that the unborn child has a fundamental individual right to life which cannot be infringed. We support a human life amendment to the Constitution, and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children.	

Abortion

2012 D	R	D	The Democratic Party strongly and unequivocally supports <i>Roe v. Wade</i> and a woman's right to make decisions regarding her pregnancy, including a safe and legal abortion, regardless of ability to pay. We oppose any and all efforts to weaken or undermine that right.	Faithful to the "self-evident" truths enshrined in the Declaration of Independence, we assert the sanctity of human life and affirm that the unborn child has a fundamental individual right to life which cannot be infringed. We support a human life amendment to the Constitution and endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children.	
2016 D	R	R	We believe unequivocally, like the majority of Americans, that every woman should have access to quality reproductive health care services, including safe and legal abortion—regardless of where she lives, how much money she makes, or how she is insured.	Accordingly, we assert the sanctity of human life and affirm that the unborn child has a fundamental right to life which cannot be infringed. We support a human life amendment to the Constitution and legislation to make clear that the Fourteenth Amendment's protections apply to children before birth.	
2020 R	D	R	Like the majority of Americans, Democrats believe every woman should be able to access high-quality reproductive health care services, including safe and legal abortion.		
2024 D	R	D	Trump's Supreme Court appointees overturned <i>Roe v Wade</i> , eliminating a fundamental constitutional right and denying women across the nation the right to choose. The extreme act of overturning <i>Roe</i> , which had been the law of the land for nearly half a century, has already had devastating consequences nationwide.	After 51 years, because of us, that power has been given to the States and to a vote of the People. We will oppose Late Term Abortion, while supporting mothers and policies that advance Prenatal Care, access to Birth Control, and IVF (fertility treatments).
